PROJECT STEPS

STEP: 1

Draw a circle and use your 18V ONE+ Jig Saw to cut it out.

STEP: 2

Use your 18V ONE+ Random Orbit Sander to sand both sides of the circle.

STEP: 3

Use a foam paint brush and apply stain and let dry. Apply paint of your choice and let dry.

STEP: 4

Chalk the back of piece of paper with the words, 'Trick or Treat.' Tape the paper to the material. Trace the words using a pencil and engrave with the 18V ONE+ Precision Rotary Tool.

STEP: 5

Glue 'Welcome' sign to the other side.

STEP: 6

Add Velcro and additional Fall decor elements of your choice.

STEP: 7

Glue rope to hang the sign and enjoy!
